

## My school.

My school is Coláiste Eoin. It is on Armagh Road in Crumlin in Dublin 12.

The school moved here in 1985 as we needed more space for all the students. Our primary school, Scoil Eoin, is on the other side of the road.

We have two classes of first year students and two classes of second year students. Each morning before classes start we have sports in the yard and computer games in the computer club. The bell for class rings at 8.55 a.m. and we go to our class lines.
