

The Pharaohs.

The Pharaoh was the king of Egypt but the people believed he was a god too. He was a member of the royal family. He was in charge of the army and the courts. He was the head of religion in Egypt.

The Pharaoh collected taxes from the people. Taxes were paid with goods as there was no money then. He owned all of Egypt. Many people worked for the Pharaoh to help him rule the land. These people were well rewarded.

When Pharaohs died they went to the next world, the world of the gods.
